The kitchen has just been updated with new flooring, countertops, backsplash and all new appliances! The lower level Family room is bright and open with new carpet and a wood burning fireplace. On this same level find a bedroom with new carpet and paint, and a large laundry room with a half bath. The upstairs level has 3 bedrooms all with hardwood floors and a Jack and Jill - half bath to full bath with hall and master BR access. Bedroom 5 on the 4th level allows for nice privacy or could be used as a playroom/office etc. The heating and air system is a Mitsubishi split air system installed in 2015. It services the entire home & is a very clean air system carrying a 10 year warranty. Outside, a great level lot with 6 foot privacy fence in the back. The detached garage has room for a small workshop. A patio & pergola are a plus for entertaining. Located close to interstates, shopping and schools.
