### PROPERTY DESCRIPTION:

Inspired by the Colorado Lodges of Aspen this custom built, executive home is a sophisticated and luxurious retreat that reflects a magical merging of inspiration and architecture. The open floor plan accentuates the massive two story stacked stone fireplace and solid wood beams in the great room and foyer. Hardwoods and marble floors can be found throughout. The gourmet kitchen features custom built cabinets, 4 ovens, a warming drawing, a 48-inch Five Star Range with commercial hood, 2 dishwashers, and a butler's pantry with ice machine and wine fridge. A 1,000 square foot master on the main showcases a stacked stone fireplace, steam shower, his and hers closets, breakfast bar and dressing area. Three additional en suites feature sitting areas, full baths and walk in closets. This one step home has an elevator shaft and a 3500 square foot unfinished basement with plans.
