PROPERTY DESCRIPTION:

Complete remodeled one bedroom bungalow that sits back on the property and has access off the alley with a one car detached garage. This is a perfect lot to build a home off the street on the front half of the lot, . This cute Bungalow would be perfect for extended family members or rental options. This property is located within the boundaries of the new Accessory Dwelling Unit that the city of Englewood recently adopted. Close to Swedish Medical Center and the shops and restaurants on Broadway.
