PROPERTY DESCRIPTION:

Very nice 4 bedroom 3 Bath Home located in one of the finest neighborhoods with great schools, located on a quiet street close to everything. Professional grade additions to this home included a new master Bedroom with large walk in closet, additional bedroom, full bath, large open family room, new: dual pane windows throughout and so much more. Kitchen includes Oak Cabinets, stainless steel appliances, microwave and cozy little breakfast area. Nice Dining Room, right off the kitchen, for convenience. With almost 1700sq. Ft. of living space, nice deck with Built in Barbeque, this home is perfect for family living or entertaining. Beautifully landscaped yard with a large tree and numerous fruit trees in the backyard. Homes in this neighborhood do not come on the market very often, so do not miss out on this opportunity. Great value for the square footage and neighborhood. Priced to sell
