PROPERTY DESCRIPTION:

This highly upgraded home is in the heart of Fremont's sought after Ardenwood neighborhood. With a 2014 remodel of over \$300K, this home has been upgraded top to bottom. This modern, contemporary home has cathedral ceilings and bountiful windows allowing for vast amounts of light. The kitchen is the heart of the home in between the dining room and fully landscaped outdoor living space. Kitchen features include, completely custom cabinetry with soft close drawer and door hardware. High end sink features instant hot water and a deep "blanco" sink. All the stainless steel appliances are Kitchen Aid and Bosch. A gas stove with a powerful exhaust
