PROPERTY DESCRIPTION:

Contemporary Elegance in Oakland! This amazing home was almost entirely rebuilt in 2012 and no expense was spared! Inside this spacious and beautiful home you will find skylights, a Sonos sound system, a kitchen that is a chef's dream featuring Poggenpohl custom designed cabinetry with Miele appliances and an Italian sink, two full baths with high-end custom fixtures and a large imported bathtub, beautifully finished hardwood floors and so much more! Outdoors enjoy secure parking behind a locked gate, a quiet garden area, a large and extremely well build shed with many possible uses, and lovely, easy to care-for landscaping with drip irrigation system. Best see it quickly, though, because this extraordinary home will sell fast! *Owners are in process of changing county records to reflect fact that this is a two bedroom home.
