PROPERTY DESCRIPTION:

Location, location this beautiful home is located in the coveted Beacon Hills neighborhood in Highland, this home features an open concept floor plan with tall ceilings and large windows in the great room that give you an incredible mountain view. The large kitchen comes with double ovens, a gas range, and a big island with room for several cooks. If you are working from home you will love the private office. There is new carpet throughout the home, a fabulous master bedroom with an en-suite bathroom, including a jetted tub and walk-in closet. The basement features two large bedrooms, a comfy family room, and a theater room everyone will enjoy! For those looking for a 3-car garage, this home has a tandem 3rd car to use as a 4 car, or room for all your toys. This wonderful home faces West which gives you the perfect backyard to hang out, play games, or just relax on the big deck or in the hot tub while enjoying the amazing mountain views. As an added bonus this home backs up to open space and a large park, so no backyard neighbors.
