PROPERTY DESCRIPTION:

This is NOT your typical 1958 Rancher. This home has been remodeled with an addition for potential in-law suite, primary suite or however you need to use the extra space. Upon opening the front door you will see the cathedral ceiling in the living room, a natural gas fireplace with built-in cabinets on each side, surround sound system and flat screen tv. The remodeled kitchen offers lots of storage, copper sink, sub zero refrigerator, low voltage lighting above, below cabinets and inside the glass door cabinets. Down the hall the updated bath offers double vanities, soaking tub and a custom built in. 3 bedrooms features hardwood floors. The large laundry room has tile flooring, storage closet and a half bath. The Dining Room/Den features skylights, track lighting, WilsonArt flooring. You will also find a home office/nursery and linen closet before heading into the master suite with His/Her closets, built in niche, skylights, exterior door leading to your private deck, an attached bath w/jacuzzi tub, walk-in shower with dual heads and double vanities. Outside offers covered stone patio, 2 detached
