PROPERTY DESCRIPTION:

Main Level Living! Neutral & move in ready. Great opportunity on this home in popular Laurel Ridge, built in 2018. 1 1/2 story with the primary and 2 additional bedrooms on the main level. 4th bedroom and bonus room upstairs. Beautiful open floor plan with a floor to ceiling stacked stone fireplace in the family room and a generous center island in the spacious kitchen. This home has lots of great features such as granite counter tops throughout; stainless Samsung appliances; a coffee station; upgraded thick luxury vinyl plank floors that are waterproof and scratch resistant - great for pets. The bonus room features a screen and projector (the wall speakers do not convey) the upstairs also features walk-in storage. Outside a level, fenced yard boasts an oversized patio with a gazebo that conveys, a vegetable garden, irrigation system and wildflowers that grace the back fence line. The garage is oversized to allow for storage and has a utility door. The home has been repainted with an upgraded paint and LED bulbs have been added throughout. Two Nest thermostats and a smart lock convey with the home. Some items do not convey, please request a list from the agent .
